WHEREAS, the City of Troy is applying to the Empire State Development Corporation for a grant under the Restore New York Communities Initiative; and

WHEREAS, Rosenblum Development Corporation is currently collecting stakeholder feedback that can inform the project design and will be presenting a project to the Planning Commission for redevelopment of this site with a four-story residential building, which will necessitate the demolition of the existing vacant bank building and providing the necessary infrastructure updates to allow for this redevelopment; and

Re: RESTORE NY Communities Initiative, Round 6 – Rosenblum – 5th Ave.

An important goal of Restore NY is to revitalize urban centers, rural areas, and disadvantaged communities, with a focus on projects that have unique costly demolition components. This proposal is round 2 (of 2) with the City having previously applied for the Sperry Building demo in round 1 and awaiting a decision from ESD.

Rosenblum Development plans to redevelop 1818 5th Avenue, site of the former Citizen's bank suburban style drive-through, with a four-story apartment building. There is currently some community concern and Rosenblum has scheduled a public meeting to address questions and collect feedback that can inform the project design, which, at the time of this memo, is coming up on Wednesday, 11/8, 2022.

The City is eligible for up to \$3 million towards demolition and remediation of the site with a 10% minimum match. Rosenblum Development will be responsible for the preparing the grant, and supplying the application fee as well as the match. However, the project will be submitted by the City of Troy. (As we have previously done with the Marshall Ray Building, Proctors, and the Chazan Building).
