***City of Troy 2025 Budget Message***  
***Innovation, Accountability & Fiscal Responsibility for a Stronger Future***

*"Being prudent with the taxpayers' dollars isn't a limitation, it's an opportunity to rethink, reimagine, and reinvent how we deliver results." Carmella Mantello, Mayor*

Dear City Council President Steele and distinguished members of the Troy City Council,

Pursuant to the Troy City Charter, I hereby present the recommended City of Troy budget for fiscal year 2025. This proposed budget message will provide an overview of the City's current financial standing and achievements. Over the past year, we have made unprecedented progress in addressing challenges such as emergency infrastructure improvements, enhancing services for our residents, and reducing our reliance on debt financing.

When we came into office, we expected City Hall to reflect the improved finances that resulted from our hard work, shared sacrifice and collective efforts. We were instead met with the challenge of a significant lack of internal controls and having no Comptroller for the first time in forty years. This added an extra burden and complexity to managing the city's budget and expenditures effectively. Despite this, we quickly took action to restore order and implement strong fiscal management practices.

**1**

Working with Department Heads and outside accounting firm, we have closed the previous fiscal year, which is subject to an external audit. This will present a spending plan that represents our priorities for a safer, cleaner, and more affordable city. We believe being prudent with the taxpayers' dollars isn't a limitation, it's an opportunity to rethink, reimagine, and reinvent how we deliver results.

My directive to departments in crafting this budget was threefold:

- Hold the line on spending
- Improve the delivery of services
- Stop the growth of city debt

As we prepared this budget, we faced large increases from 2024 in costs for materials and services, and mandated New York State cost increases:

- Pension – \$1.13 million increase
- Debt Service – 14.4% (Inherited ballooning debt payments)

In addition, despite the City Council having authorized the procurement of a new financial management system in 2022, we were also faced with reconstructing a financial management system that was so archaic that it led the previous Comptroller to manage city finances in an Excel spreadsheet.

The previous administration left behind a multitude of unresolved issues. They had no plans in place for several major infrastructure problems and allowed critical city assets to deteriorate. We inherited an urgent situation at the Eddy's Lane Pump Station, a neglected piece of infrastructure that not only posed a serious threat to the city's water supply but was a danger to the lives of city workers. In my first week as Mayor, we declared an emergency and began repairs to ensure the safety of our residents and employees.

But it isn't just about fixing what was broken; we have also embarked on new, ambitious projects that will strengthen Troy for years to come. Among the most significant of these is our search for a new, permanent City Hall, an endeavor that was long overdue. This administration has ensured that this project will move forward in a timely, thoughtful manner. Meanwhile, we've fast-tracked numerous ARPA-funded projects and completed essential infrastructure work across the city, all while continuing to provide better services to our residents.

Despite these ambitious undertakings, we have remained focused on managing taxpayer dollars wisely. The previous administration did not show the same commitment to fiscal responsibility, placing the burden on the backs of the taxpayers through increased taxes and fees. Their reliance on bonding added unnecessary debt, and their approach lacked the long-term planning needed to make real progress. In contrast, this administration has done more with less. We've taken on fewer liabilities while addressing the city's most pressing issues, making every dollar count with fiscal responsibility. One such example is reducing the costs of outside consultants by using our in-house workforce rather than hiring third party vendors such as outside counsel, engineering and technology.

If adopted, the proposed 2025 budget would result in one of the lowest tax increases in recent years of 1.89%, which is under the state's tax cap. For a homeowner with a property assessed at \$150,000, this represents an increase of \$3.77 per month. This proposed increase is more modest than those advanced by most other cities in the Capital Region.

We are pleased to announce that for the very first time, the garbage fee will not increase in this year's budget. Originally introduced as a temporary fee of \$160 per unit in 2017, the garbage fee became a permanent fixture, increasing steadily each year and reaching \$254 per unit by 2024. This marks a significant step in our efforts to ease the financial burden on residents while maintaining essential city services. Next year, the administration will undertake a city-wide barrel assessment and continue working to phase out this hidden garbage tax.

The 2025 budget proposal includes a water rate increase of \$.10/1000 gallons. A number of factors combine to drive the necessity of this increase with the continued costs of treating our water and changing the chemical processes at the Water Treatment Plant. Through our ambitious and aggressive lead pipe replacement program, we continue to perform an increased amount of lead water samples and other testing. This increase amounts to approximately \$1.46 per quarter for the average family of four. There is no change proposed for the sewer rate for 2025.

Not only are we addressing unresolved issues, but at the same time, we have also significantly improved the services we offer. Through programs like the Quality of Life Action Task Force, Operation Clean Sweep holding irresponsible absentee landlords accountable, and Project Sentinel, we have enhanced street cleaning, public safety, and overall community well-being—all without increasing expenditures. We have streamlined city operations, used our resources more effectively, and ensured that our investments have a direct, positive impact on the lives of our residents.

Our commitment to building a safer community begins with strengthening our police force. For too long, we were severely underpaying our officers compared to neighboring municipalities, hindering both recruitment and retention. Recognizing the urgency of this issue, we made adjusting the pay scale a top priority. Today, we are proud to offer competitive salaries and benefits that reflect the true value of our officers. This change is already yielding positive results, as evidenced by one of the highest police exam attendance rates we have seen in years.

Furthermore, we have kept a keen eye on fiscal discipline. Unlike in previous years, when the city was allowed to drift deeper into debt, we are now making sound decisions based on long-term priorities. Our commitment to financial stability has allowed us to take on critical infrastructure projects, like the completely new major corridor on Campbell Avenue. We have aggressively addressed the long-standing failure of road upkeep, making them safer, smoother, and enforcing ADA compliance in more areas in the City—all while avoiding the financial traps that plagued previous administrations.

We have proven that it is possible to address major infrastructure challenges, provide better services, and make more efficient use of taxpayer dollars, all without burdening future

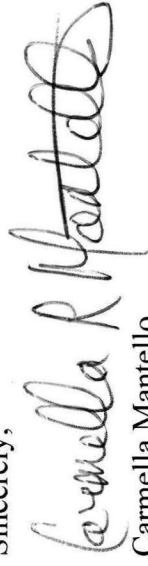

generations with unnecessary debt. The path forward is clear, and we must continue building on this momentum.

I'm proud of the work we have done, and we have only just begun. I want to thank our Deputy Mayor Seamus Donnelly, Treasurer Gabrielle Mahoney, Deputy Corporation Counsel Rick Morrissey, the Comptroller's Team, and the entire workforce who continue working to make our neighborhoods safer, cleaner and more affordable.

This administration is committed to long-term, sustainable growth, and I hope that you will stand with me in supporting these efforts. Together, we can continue to repair the failures of the past, enhance the quality of life for all Troy residents, and build a stronger, more financially stable city.

Thank you for your continued dedication and partnership in these endeavors. I look forward to working together to ensure that Troy remains on this positive trajectory.

Sincerely,

Commentary:

THE POLICE BUREAU’S BUDGET BALANCES THE NEED TO PROVIDE ADEQUATE PUBLIC SAFETY, WITH THE REQUIREMENT TO HOLD DOWN COSTS. TO MEET THOSE GOALS, THE POLICE BUREAU HAS EMBARKED ON AN AMBITIOUS PROGRAM OF COMMUNITY POLICING AND THE ZERO TOLERANCE FOR QUALITY OF LIFE CRIMES. A COMBINATION OF FEDERAL, STATE AND LOCAL FUNDS HAS ALLOWED FOR REDEPLOYMENT OF THE PATROL FORCE THAT EMPHASIZES NEIGHBORHOOD BASED STRATEGIES AND DIRECTED PATROLS.

Commentary:

THE TRANSMISSION AND DISTRIBUTION SECTIONS ARE RESPONSIBLE FOR THE NETWORK OF WATER PIPELINES WHICH SUPPLY THE CITY WITH ITS POTABLE WATER SUPPLY. IN ADDITION TO THE 150 MILES OF PIPELINES, IT IS ALSO RESPONSIBLE FOR NEARLY 1,500 FIRE HYDRANTS, 3,000 WATER VALVES AND 13,000 WATER SERVICES, INCLUDING METERS WHICH COMPRISE THE SYSTEM. A LEAK LOCATION PROGRAM HAS BEEN ONGOING. IT RESULTS IN SYSTEMS LEAKS BEING REPAIRED, ALLOWING FOR SUBSTANTIAL WATER CONSERVATION. THE REDUCED CONSUMPTION RESULTS IN LOWER ENERGY COSTS AND REDUCED USAGE OF CHEMICALS. CONTINUATION OF THE EXCELLENT PREVENTIVE MAINTENANCE PROGRAM ESTABLISHED WILL INSURE WORKABLE HYDRANTS AND VALVES IN THE FUTURE. IN ADDITION, THE PROMPT ATTENTION TO WATER BREAKS AND CUSTOMER SERVICE PROBLEMS CONTAINS AND INCLUDES A METER PROGRAM WHICH PROVIDES FOR METER REPAIR AND REPLACEMENT. THIS SECTION MAINTAINS “ON-CALL” PERSONNEL AVAILABLE FOR DISPATCH WHENEVER EMERGENCIES ARISE OR THE PUBLIC REQUIRES ASSISTANCE REGARDING THEIR WATER SUPPLY. THIS SECTION ALSO PROVIDES PERSONNEL AND EQUIPMENT FOR SNOW PLOWING AND SALTING OPERATIONS IN ASSIGNED SECTIONS OF THE CITY WHEN CONDITIONS DICTATE.

Note Regarding 2025 Capital Plan
<p>The 2025 Capital Plan as presented includes items that the City is in need of purchasing or projects the City is intent on pursuing. At this time, only items appropriated for in an operating budget will be purchased. Other items included in the capital plan that would be financed for appropriation purposes or cash-flow purposes will be evaluated further in the 2025 fiscal year. The evaluation will be on an individual basis for each piece of equipment and/or infrastructure project dependent upon the financial market and interest rates.</p> <p>The City administration feels that it is most responsible to show all of the potential capital expenditures in the 2025 fiscal year as opposed to showing a very limited amount of capital purchases in the 2025 fiscal year.</p>
