Dear Mr. Coburn:

Please find enclosed an amendment to our completed application for financial assistance associated with the proposed project at 1818 5<sup>th</sup> Avenue in the City of Troy submitted on October 12, 2023.

The updated project costs incorporate estimates provided by our preconstruction team and local sub-contractors based on a more evolved schematic design undertaken since our submission and reflect ongoing price escalations. Similarly, the salary adjustments reflect higher compensation rates for like positions in the market.

Please do not hesitate to contact us if you require additional information.

Sincerely,
