Dear Troy Resident,

The City of Troy has modified and improved its **SNOW EMERGENCY PLAN** to deal with snow plowing and/or removal on our streets. This plan is designed to allow for the clearing of city roadways in a manner that is both economically feasible and efficient.

To ensure that this new measure is successful we will need full cooperation from city residents. Therefore, I ask that you please take the time to familiarize yourself with the information contained within this brochure so that you are prepared to act accordingly if a **SNOW EMERGENCY** is declared in Troy.

Your cooperation is greatly appreciated and will allow the city to properly alleviate problems associated with both driving and parking during winter months.

Sincerely,

A handwritten signature in black ink, appearing to read "Carmella R. Mantello".

Mayor, City of Troy
