THIS PAYMENT IN LIEU OF TAX AGREEMENT (the “Agreement”), dated as of the 13th day of February, 2024, by and between the **TROY INDUSTRIAL DEVELOPMENT AUTHORITY**, a public benefit corporation of the State of New York, having its offices at 433 River Street, 5th Floor, Troy, New York 12180 (the “Authority”) and **625 7th AVE, LLC**, a New York limited liability company having offices at 204 Lafayette Street Suite 2, Schenectady, New York 12305 (the “Company”), with acknowledgement and performance guaranty by **625 7th AVE TENANT, LLC**, a New York limited liability company having offices at 204 Lafayette Street Suite 2, Schenectady, New York 12305 (the “Operator”).

WITNESSETH:

WHEREAS, by Title 11 of Article 8 of the Public Authorities Law of the State of New York (the “State”), as amended, and Chapter 759 of the Laws of 1967 of the State of New York, as amended (hereinafter collectively called the “Act”), the Authority was created with the authority and power to own, lease and sell property in furtherance of certain projects necessary and suitable for manufacturing, warehousing, research, commercial or industrial purposes as authorized by Section 1951 of the Act; and

WHEREAS, the Company has submitted an application (the “Application”) to the Authority requesting the Authority’s assistance with a certain project (the “Project”) consisting of (i) the acquisition by the Authority of a leasehold or other interest in certain parcels of real property located at 625 and 604 Seventh Avenue, Troy, New York 12182 (the “Land”, being primarily comprised of approximately 7.89 acres and identified as TMID No. 80.56-3-1 at 2.39 acres, and herein, the “School Parcel”, and TMID No. 80.56-8.2 at 5.5 acres, and herein, the “Gymnasium Parcel”) and the existing improvements located thereon, being principally comprised of an approximately 75,000 sf, multi-story structure located on the School Parcel (the “School Structure”) and an approximately 45,000 sf single story structure located on the Gymnasium Parcel (the “Gymnasium Structure”), along with existing exterior parking, utility and related improvements located thereon (the “Existing Improvements”, being formerly owned and operated as Catholic Central High School); (ii) the planning, design, rehabilitation, construction, reconstruction and renovation of the Existing Improvements and upon the Land of a mixed-use commercial project to be comprised of 69 market rate apartments within the School Structure, 29 market rate apartments within the Gymnasium Structure, and approximately 7,500 sf of commercial space within the Gymnasium Structure to be leased to one or more commercial tenants, along with related improvements and amenities to serve the foregoing, including renovations, rehabilitation, replacement and installation of various building systems, common areas, heating systems, plumbing, roofs, elevators, windows, and other onsite and offsite parking, curbage and infrastructure improvements (collectively, the “Improvements”); and (iii) the acquisition and installation in and around the Land, Existing Improvements and Improvements of certain machinery, equipment and other items of tangible personal property (the “Equipment”, and collectively with the Land, Existing Improvements, Improvements and the Equipment, the “Facility”); and

WHEREAS, in order to induce the Company to acquire, renovate, construct and equip the Facility, the Authority is willing to take a leasehold interest in the Land, Existing Improvements and personal property constituting the Facility as of the date hereof pursuant to a certain Lease Agreement (the "Lease Agreement") and lease the Land, Existing Improvements, Improvements and personal property back to the Company pursuant to the terms and conditions of a certain Leaseback Agreement (the "Leaseback Agreement"), each dated as of the date hereof; and

WHEREAS, pursuant to Section 1963 of the Act, the Authority is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Authority and the Company deem it necessary and proper to enter into an agreement making provisions for payments in lieu of taxes by the Company to the Authority for the benefit of the County of Rensselaer (the "County"), the City of Troy (the "City"), and the Lansingburgh Central School District (hereinafter the "School District" or "School" and, collectively with the County and the City, the "Affected Tax Jurisdictions").

NOW, THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section I - Payment in lieu of Ad Valorem Taxes:

1.1 A. Subject to the completion and filing by the Authority on or before the taxable status date of March 1, 2024 (the "Taxable Status Date") of New York State Form RP-412-a Application For Real Property Tax Exemption (the "Exemption Application") under RPTL Section 412 and Section 1963 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Land and Existing Improvements, and Improvements once constructed, shall be fully exempt from Real Estate Taxes commencing with the 2025 City and County tax years and the 2024-2025 School tax year, and continuing through the termination date, as defined herein. **The Company shall timely pay all Real Estate Taxes levied and accruing against the Facility prior to the above-described tax years.** For purposes of the foregoing "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the County, City and School. The Company shall provide to the Authority the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Authority, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest therein has been declared in default under any document for

which an interest in the Facility could be sold, forfeited or lost; and (iv) neither the Company nor the Authority, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Authority, and releases the Authority from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Authority to file the Exemption Application with the appropriate assessors or Board of Assessment Review by the Taxable Status Date.

B. Payee. As long as the Facility is owned by the Authority or leased by the Company to the Authority, or under the Authority's jurisdiction, control or supervision, the Company agrees to pay annually in the aggregate to the Affected Tax Jurisdictions as a payment in lieu of taxes, on or before **February 1** of each year (collectively, the "Payment Dates"), commencing on **February 1, 2025**, an amount equal to the Total PILOT payment, as defined in Schedule A, hereto.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 Allocation. The Authority shall remit to the Affected Tax Jurisdictions amounts received hereunder, if any, within thirty (30) days of receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Authority's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Tax Jurisdictions, the Authority shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County, City and special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT payment due date. For School District purposes, the tax rates used to determine the allocation of the Total PILOT payment shall be the rate relating to the school year which includes the PILOT payment due date.

1.4 Valuation of Future Additions to the Facility: If there shall be a future addition to the Facility constructed or added in any manner after the date of this Agreement (excluding the Improvements, as defined herein), the Company shall notify the Authority of such future addition ("Future Addition"). The notice to the Authority shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Authority may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the Total PILOT Payment. The Authority shall notify the Company of any proposed increase in the Total PILOT Payment related to such Future Addition. If the Company shall disagree with the determination of assessed value for any Future Additions made by the Authority, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Authority, the Company shall pay the increased Total PILOT payment until a different Total

PILOT Payment shall be established. If a lesser Total PILOT Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Authority's sole discretion, such excess payment shall be applied as a credit against the next succeeding PILOT payment(s).

1.5 Period of Benefits. The tax benefits provided for herein shall be deemed to include (i) the 2025 County and City tax year through the 2044 County and City tax year, and (iii) the 2024-2025 School tax year through the 2043-2044 School tax year. This PILOT Agreement shall expire on **December 31, 2044**; *provided, however*, the Company shall pay the 2045 County and City tax bill and the 2044-2045 School tax bill on the dates and in the amounts as if the Authority were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this Agreement executed by both parties after any applicable public hearings. The Company agrees that it will not seek any tax exemption for the Facility which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b and 485-e of the New York Real Property Tax Law ("RPTL"). It is hereby agreed and understood that the Affected Tax Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

Section II - Special District Charges, Special Assessments and Other Charges

2.1 Special district charges, special assessments, and special ad valorem levies (specifically including but not limited to any library and business improvement district charges), and pure water charges and sewer charges (collectively, "Special District Charges") are to be paid in full in accordance with normal billing practices, subject to any applicable exemptions afforded according to the laws of the State, County or City, as may be amended from time to time.

Section III - Transfer of Facility.

3.1 In the event that the Lease Agreement is terminated, and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section I herein, or this Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility (taking into account any Total PILOT Payment previously made by the Company for the applicable PILOT year) if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

Section IV - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Facility with respect to any proposed Special District Charge, special assessment or change in assessment with respect to the Added Value of the Facility by any of the Affected Tax Jurisdictions relating to any Special District Charge and/or such Added Value and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any proposed Special District Charge and/or such Added Value. However, the Company shall in all events make timely payments of all Total PILOT Payments due hereunder and no assessment challenge by the Company shall affect or cause to invalidate the amount of any tax equivalent provided for herein with respect to the Base Value.

4.2 Where appropriate pursuant to the provisions of this Section IV, the Company shall (i) cause the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply tax rates to the respective assessments as if the Facility were owned by the Company, (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

Section V - Changes in Law.

5.1 To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

Section VI - Events of Default.

6.1 The following shall constitute "Events of Default" hereunder. The failure by the Company (or any authorized assignee hereunder) to: (i) make the payments described in Section I on or before the Payment Date (the "Delinquency Date"), and such failure continues and remains uncured for a period of thirty (30) days after written notice thereof is sent to the Company, with copy to Lender (as defined in the Leaseback Agreement); (ii) make any other payments described herein on or before the last day of any applicable cure period within which said payment can be made without penalty, and such failure continues and remains uncured for a period of thirty (30) days after written notice thereof is sent to the Company, with copy to Lender; (iii) the occurrence and continuance of any events of default after the expiration of any applicable notice and cure periods under the Leaseback Agreement; or (iv) the occurrence and continuance of any events of default after the expiration of any applicable notice or cure periods under any Permitted Mortgage, as defined within the Leaseback Agreement. Upon the occurrence and during the continuance of any Event of Default hereunder, in addition to any other right or remedy the Authority and/or the Affected Tax Jurisdictions may have at law or in equity, the Authority and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Authority with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default. The Authority and the Company hereby acknowledge the right of the Affected Tax Jurisdictions to recover directly from the

Company any amounts so in default pursuant to applicable provisions of the Act and the Company shall immediately notify the Authority of any action brought, or other measure taken, by any Affected Tax Jurisdiction to recover any such amount. The Lender shall have the right, but not the obligation, to cure any Events of Default hereunder.

6.2 If payments pursuant to Section I herein are not made by the Payment Date, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as follows. With respect to payments to be made pursuant to Section I herein, if said payment is not received by the Payment Date as defined in Section 6.1 herein, the Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus the late payment penalty, in an amount equal to one percent (1%) per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, Company shall pay, in addition to said payment, the greater of the applicable penalties and interest or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions.

Section VII - Assignment.

7.1 No portion of any interest in this Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Authority, which shall be governed by the terms contained within the Leaseback Agreement.

Section VIII - Miscellaneous.

8.1 This Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

8.2 All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, or by overnight delivery by a nationally recognized delivery services, as follows:

8.5 Notwithstanding anything contained herein to the contrary, the Authority, at its sole but reasonable discretion and on a case-by-case basis, may reasonably determine, (but shall not be required to do so) with respect to the Facility, that the Facility has failed to meet its intended goals and to require the Company to agree to the recapture by the Authority of the value of any or all exemptions from taxation granted with respect to the Facility by virtue of the Authority's involvement. Events that the Authority may determine will trigger recapture are to (i) sale or closure of the Facility; (ii) significant employment reduction; (iii) significant change in

use in the Facility; and (iv) significant change in business activities of the Company. If the Authority determines to provide for the recapture with respect to the Facility, the Authority also shall, in its sole but reasonable discretion determine the timing and percentage of recapture. The Authority shall notify the Company in writing within thirty (30) days of any such occurrence of its intent to recapture PILOT Benefits (or any portion thereof), with any such election by the Authority to be subject to the Company's right to cure such occurrence for a period of thirty (30) days following its receipt of such written notice.
