

ILLEGAL DUMPING

WHAT YOU CAN DO AND RESOURCES

Prevent illegal dumping:

Leaving bulk items out for several days may attract illegal dumping, and you risk receiving a violation/fine. If your bulk pickup is missed, call the DPW dispatcher (518-270-4579) immediately.

How to document and report illegal dumping:

1. Take pictures, videos, etc. of the items dumped then CALL the non-emergency Police line (518-270-4411). Owner must be present at the property location to file a report. Get a case number or a copy of the report for your records.
2. Once you have documented the materials and filed a report, call the DPW dispatcher at (518-270-4579) to request removal of the materials. Provide them with the Police case number.

Things you can do:

- Put up signs or cameras to help prevent illegal dumping.
- Start a conversation with your neighbors! They may be experiencing similar issues.
- You are the first line of defense and are responsible for your property, so know what's going on in your neighborhood.
- DO NOT confront a person who is actively dumping.
