If a permit is granted pursuant to this application, applicant hereby agrees that applicant shall:

1. Perform the work in accordance with all applicable laws and regulations, including but not limited to the City of Troy's General Rules, Regulations, and Guidelines for Work Within the Right-of-Way, and as required by the City Engineer.
2. Bear the reasonable cost of a City-designated inspector to inspect the closing of openings or excavations in the City streets and the restoration of the pavement surfaces.
3. Close the openings or excavations made by the applicant and restore the pavement to prior condition to the satisfaction of the City Engineer.
4. Fully defend, indemnify, and save the City of Troy harmless from any and all liability to which the City might be exposed on account of granting the permit or suffering the opening of the public street or way.

Location of Work: \_\_\_\_\_

Description of Work:  
\_\_\_\_\_

Restoration Method: \_\_\_\_\_

**\*\*Attach a sketch of the proposed work.\*\*** Include curb lines, structures, utilities, buildings, and other information as required to accurately and completely describe the work proposed. Insufficient or erroneous information will result in a returned application.

Pursuant to § 251-9, *Permits required for excavations*, the City of Troy requires that all applications for Street Excavation Permits be accompanied by a Right-of-Way (ROW) or Surety Bond from a licensed, reputable surety company with offices in New York State.

The amount of such bond shall be \$10,000 or as required by the City Engineer based on a reasonable estimate of restoration costs.

By signing below, applicant hereby agrees to the above terms and conditions and certifies that the statements on this application are true and correct. Applicant hereby covenants to defend, indemnify, and hold the City of Troy harmless from and against any and all claims and liability, including without limitation all expenses of litigation and reasonable attorney's fees, arising in any way out of or in consequence of the above-described work, to the maximum extent allowed by law.
